Their dedication and hard work to help fulfill my dream of homeownership is evident every time I open the door to my new home!” -Kathy L. Carrington

“Julie and Ron Neefe are very hard workers! They remind me of me and my husband. We were business people who worked long hours, and were hard workers. They helped me sell my place for the best price!” -Yolanda Blasen

“Thank you again for the incredible professionalism you displayed. For most, service is evaluated upon the ability of an individual to meet the expectation of the customer/client. However, in my case, you exceeded my expectation! You made a very stressful time much more tolerable than it would have been, had you not been our realtor. I felt that you were committed to ensuring not only that I had every advantage possible in securing a contract to purchase, but also that my rights were protected. With strong faith, tenacious spirit, and dedicated commitment, I was led to the perfect home that my family is now enjoying. From our first encounter on the telephone, to our last meeting, you went beyond your call. I have told many of our colleagues about your innovative and technological approach to ensuring that you are the ‘first on the scene’. Throughout our search, you remained focused on my needs, and desires, and immediately familiarized yourself with the forms and made appropriate and timely inquiries to verify accuracy. I was also extremely impressed by your timely return of phone calls and most importantly, your timely attendance at our scheduled meeting, despite that many were short noticed. Your performance was exceedingly outstanding and you not only bring a credit upon your firm, but also your profession.

God bless and stay safe.” -Respectfully, LCDR P.M. Lynch-Epps, JAG, USN.

“Julie did a great job! She is very conscientious in dealing with her clients, and takes the time with her clients. She is a go-getter! If something is not right, she checks out other options to make it happen, and gets the job done!” -Rozelma and Danny Byrd

“Julie, I wanted to thank you again for all your hard work on selling me that house. It's such a busy time of the year anyways, and then to throw buying a home on top of everything else I had going on could've been a real nightmare. But you made it easy and really stayed on top of everything for me and called and emailed me to remind me of things I needed to take care of. Thank you so much. Maybe “if” I ever move again you can help me with my next house.” -Mindy Winslow

“Thank you, Julie, for all your hard work and enthusiasm that you displayed in selling our home. You were on top of everything! You made everything run so smoothly! You coordinated all the inspections, different services, as well as the contractors for the different repair items that were needing done, and they were performed very satisfactory and on time. And we got top dollar for our home! I will definitely recommend your services to anyone needing help with buying or selling real estate.” -Rob and Lisa Miller

“Hi guys, it has been a long time, wow, coming up on 1 year of being a homeowner here, and believe me, we would never have been this happy if it wasn’t for your hard work! I tell all our friends about our house hunting stories, and how much it just became so easy when you and Julie came into the picture. God bless you and your family.”
-Manny and Valerie Pangelinan

“Julie, the real estate process was rewarding to me in that you explained each step as we went along, and having updated information every step of the way. The most I liked about your services was your support and expertise. Just stay the way you are in your performance and services you provide – I think you are awesome!!” -Genie Shober

“The most rewarding part of the real estate process was Julie’s never-ending support and positive attitude. Julie did everything possible to help me find the right home for me and sell my condo. She worked diligently with the mortgage company to make everything happen with funding. Julie is a professional always, and there is nothing that she needs to do to change her services to her clients. She kept in daily contact with me concerning the many legal, funding, and paperwork processes: and she was every alerting me about possible houses to look at and set up may appointments for buyers to see my condo. Julie is a very pleasant and professional woman. It was a pleasure doing business with her.”
